During your sessions, you will be able to park in front of the 24 Hours Le Mans competitors' garages to the condition of respecting/not crossing the safety corridor created by tensator barriers and allowing 24 Hours Le Mans competitor to access scrutineering during your sessions.

Using the 24 Hours Le Mans competitors' pit wall stands and monitors will be authorised during your sessions. We will therefore ask you to respect the 24 Hours Le Mans competitors' material and installation by not modifying or damaging it.

The pit lane will be will only be accessible for your competitors' operating staff (mechanics, engineers, etc) – no guests / public will be authorised. Access to the pit lane will only be possible during your sessions.

The pit lane as well as the track will have to be emptied quite quickly after your sessions. You will have up to 15 minutes to vacate these areas and go back to your paddock. Should this timeframe to be respected, you won't be able to access to your paddock via the racetrack.
