

PADDOCK CHARTER

Please read the rules governing the use of the paddock and boxes at the Circuit Paul Ricard to ensure that the site is respected.

- The speed limit is **10km/h** and the **French highway code** applies,
- Access to the paddock and pit building with an **animal** is **forbidden**,
- Access to the **pit lane** and all other **sensitive areas** is **forbidden** to unauthorised persons,
- It is forbidden to **block access** to waste collection points, marked areas and structures in the paddock (stairways, toilets, etc.),
- **Smoking is prohibited** inside the boxes and cigarette ends must be disposed of in the ashtrays provided,
- It is forbidden to **cook food inside** the boxes. Only **electric** barbecues are permitted in the paddock, fires and other types of fuel are **prohibited**,
- The use of toxic, corrosive and/or environmentally harmful products is **strictly prohibited**.

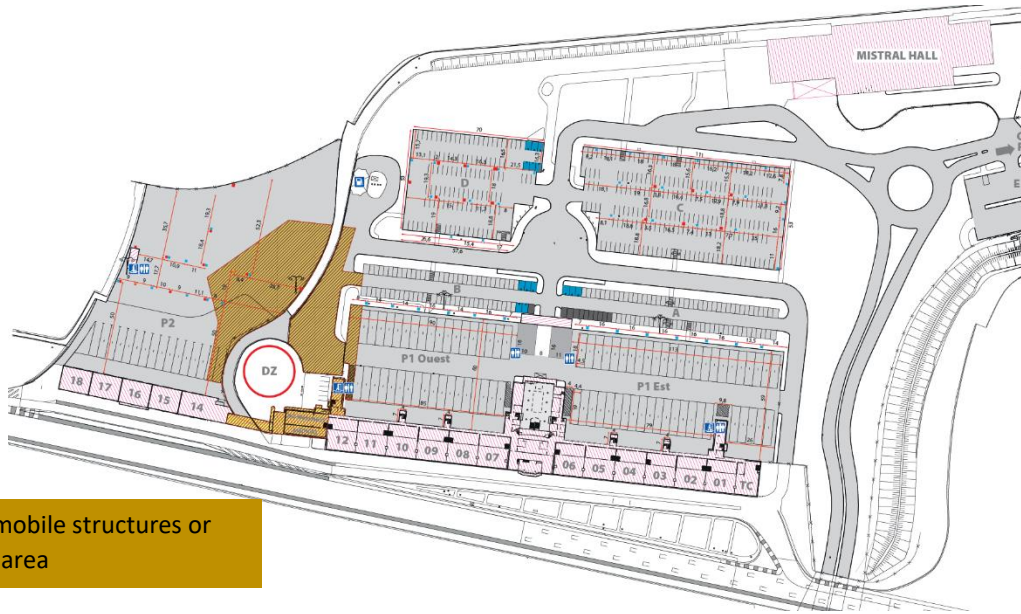

- Only water and eco-responsible products are **authorised** for cleaning vehicles,

- Fuels, oils and other authorised **hazardous substances** must be handled with the utmost care. **Fuel drums may not be stored** in the boxes,
- During mechanical work on vehicles, **floors must be protected** with environmental mats and **personal protective equipment must be worn**,
- **In the event of an incident** (oil stains, leaks, etc.), **absorbent material** is available from reception or the paddock (*see number at foot of page*),
- **It is strictly forbidden to dump** any type of waste or used liquid outside the dedicated collection systems (*refer to sorting instructions*),
- Any type of damage to floors or walls (markings, fixings, graffiti, drilling, etc.) is prohibited,
- **Any material damage or operating incident** (leak, power surge, fire, etc.) must be reported **IMMEDIATELY** to the paddock team (*see number at foot of page*).
- It is forbidden to run cables **outside the cable runs** provided for this purpose,
- It is forbidden to **modify connections** in the computer bays,
- **No type of mobile structures** (tents, awnings, etc.) and **POP displays** (flags, banners, etc.) may be set up in the helicopter take-off zone (*see brown zone on the map below*). Outside this area, weights are available from the paddock office (*subject to availability*),
- All temporary displays must be recovered at the **end of each event**,
- Any object found must be returned to the **Pit building reception desk**,
- Any missing item provided by the circuit in the garage (carpet, fire blanket, fire extinguisher, etc.) when the teams leave **will be billed**,
- **A charge will be made for the removal of any abandoned items** (petrol drums, oil cans, etc.).

Failure to comply with these rules may result in a penalty.

Do not install mobile structures or signage in this area

Paddock layout plan
