? Purchase order information

Choose the category of pass you want:

- "Number of free passes remaining" if you still have some left.
- "Number of passes to be added" if not.
-

Click on Select and choose the pass you want. You can add various passes at the same time if needed.

 **OPTION 1:** when your accreditation has been registered, it disappears of your list.
OPTION 2: when your profil has been selected once, the system doesn't authorized a duplicate profil.

 **To order several anonymous passes :**
Write your number of passes and click on Add.
